

naked and unashamed

MARRIAGE WORKSHOP

In the first recorded marriage, Adam and Eve “were both naked, and they felt no shame.” (Genesis 2:25)

Being naked and feeling unashamed were not limited to physical nakedness but rather embodied the depths of emotional intimacy. In their “nakedness,” they experienced complete freedom from fear and insecurity. Moreover, they felt total acceptance, safety, and a sacred trust – qualities many couples desire but few enjoy as the culture within their relationship.

This workshop will be grounded in the biblical foundation for marriage as the framework for growing intimacy. Furthermore, we will apply practical principles and implications to your current relationship.

Topics covered include:

- Unveiling the Mystery of Marriage (Oneness)
- Breaking the Silence of Shame
- Building a Culture of Nakedness and Grace
- Reclaiming Sexual Intimacy (**NEW**)

This workshop will be both informative and interactive. Speakers will share from biblical reflections, clinical and pastoral experience (from working with couples) and personal lessons from their own marriage.

This workshop is designed for **both couples (dating to married) and singles.**
